Required Forms for Livestock Entries

If you see “**Upload attachments needed**” when you attempt to add a large animal entry to your cart, you are required to upload a scanned or photographed copy of the Exhibitor Eligibility, Release of Liability and Code of Conduct Forms before you can proceed. Please note that some departments/divisions do not require all three forms. Exhibitors in these departments will be instructed via email which form(s) they need to submit after August 25.

Make sure you have all three forms completely filled out (signatures required) and ready to upload when you begin making entries. Even though the message says you can upload all of your forms at one time, you will be required to upload these three forms before you can add your first entry to your cart.

Once the three required forms are uploaded, click on the “Add Entry to Cart.” If additional forms are required, you will be asked to upload a copy of your bill of sale or other proof of ownership (bred and fed form) and a copy of the Declaration of Medication for each market animal you enter. Dairy and breeding animal exhibitors will be asked to upload registration papers for purebred animals and proof of ownership for unregistered animals (can be a bill of sale or other statement of ownership).

Please make every effort to upload all forms by the entry deadline. You will be notified via email, after August 25, if you are missing forms. Please add santacruzlivestockcommittee@gmail.com to your contacts to ensure that you receive email from us.

Pictures for Online Auction Add-Ons

We will be using the online auction system for add-ons only this year. The auction itself will be live in the Livestock Arena on Saturday, September 17, 2022. If you want to have a picture of you and your market animal seen by potential add-on buyers, please upload a single photo taken prior to September 6. Uniforms are not required, but are strongly encouraged. Exhibitors who do not upload a picture will have a generic fair logo displayed for their animal.

Parent/Sibling Wristbands

Exhibitors may purchase 2 parent/sibling wristbands per person. Each person wearing a wristband during the fair (exhibitor, parent, sibling or leader/advisor) will be required to sign and submit a Code of Conduct form. If you were not required to upload one during your entry session, please bring it with you on Check-In Day. The form is available in the Entry Guide.

Auction Meat Pens of Poultry or Rabbits

Buyers of meat pens will be required to make arrangements with the exhibitor for the disposition of the animals. They will be provided with the name and contact information for the exhibitor in the sale ring.

Showmanship Changes

Please read the FFA and 4-H Showmanship section carefully. Rabbit, Pygmy Goat and Poultry exhibitors should read the Showmanship sections within their departments. 4-H classes have been changed and are based on the age of the exhibitor on January 1, 2022.

Check-in/Weigh-in

Market animal exhibitors will need to bring their bill of sale and a second Declaration of Medication form, signed within 3 days of Weigh-In, to the scale.

Breeding animal exhibitors (except dairy cattle and Pygmy goats) must check-in on Weigh-In Day. Dairy Cattle may be checked in no later than 5:00 p.m. on Thursday, September 15. Bring your registration papers for purebred animals. Pygmy goat registration papers must be brought to the fairgrounds on Friday, September 16.

Barn charts will be available the weekend before Weigh-In.

Market Animal Coloring Rules

Market animal coloring rules vary by department. See each department for specific rules.

Swine Show

Pig whips are no longer prohibited.

All market hog exhibitors are required to submit a bill of sale/proof of ownership **AND** the [Prop 12 Compliance Form](#). The Prop 12 Compliance Form must be brought to the scale.

New Division for Pygmy Goats

There will be a Best Dressed Pygmy Goat contest on Fair Friday. No pre-entry is required. The contest will follow the Pygmy Goat Show.
