Rodgers House meeting;

Members present, Melanie Kett, Trisha Kett, Sue King and Loretta Estrada. Melanie wanted to give us a great big thank you for the WFA Blue Ribbon Award, I informed her I am sorry it took so many years to finally give the family the award they so deserved.

All correspondences was read, we had received several thank you notes and letters.

Donations this month was: Jody Belgard gave us a collectors doll clothing, a set of gold and silver ware which was her mothers. We were also given a Christmas tree which I have to go and pick up. Plus a yard statue for the front or back yard.

Upcoming dates: Tours for the Friends of the Fair on Sunday, Oct. 28th, 2-5 pm. Melanie and Loretta will be giving tours.

November's Rodgers House meeting will be held on Nov. 19th, a combination of a meeting, Christmas decorating, house cleaning and getting ready for the holidays. The committee will have dinner after all the work is done and watch a Christmas movie.

Christmas Dinner will be December 18th, and it will be catered. Melanie will make the arrangements.

After the meeting we walked around the house with Yello and he pointed out a large water leak. Sue showed him were the main shut off valve was and we turned off the water for the gardens. We are hoping that is where the water is coming from that the fairgrounds think is a major water leak.
