

Rodgers House committee meeting,  
March 28, 2012

Today's meeting was not an official meeting; it was a working function meeting. Members present were, Sue King, Kennett Roberts, Jody Belgard Akimoto, Marilyn Hoyt, Trisha Kett, Melanie Kett Wirtanen and Loretta Estrada.

Loretta took the members on a tour of the house to see what had been accomplished the last week. Then each member was given a task to do and they did not stop until they were done. The entire committee worked together and was able to nearly complete the entire house cleaning projects. (As some of you may not know, the committee keeps the house clean, and we furnish all materials needed for the house, vacuums, mops, cleaning materials and etc.)

Windows were washed upstairs and down, the hard wood floors cleaned, the carpets vacuumed. The several years of book keeping was brought up to date. The donation list was brought up as well. We will now keep an on going up to date entry for all news paper clippings, minutes, correspondence, and any other information we may receive.

Thanks to Jody and Kennett the book keeping part was well organized.

The rest of the committee did a great job of getting the house back into shape.

We worked until 5; 30 pm.

March 30<sup>th</sup>: Loretta worked in the yard, bought soil, put in some planters by the glass house, installed some lattés with the hopes the jasmine will climb and hide the compressor. She purchased several flowering plants to put in the containers Georgeann Cowles Eiskamp gave the Rodgers House . It is with hope the flowering plants will give a soft look to the back yard.

The kitchen rug was taken out side and scrubbed. It was left out side for 3 days to dry and was put back into the kitchen.

As you see the committee has had their spring cleaning days. The next tour of the house will be Sunday April 15<sup>th</sup>. Rob, Marilyn and Trisha will be giving tours, Loretta will be out side talking about the back yard and giving some information concerning the new Heritage Hall, with hopes the guest will go on a tour of the wonderful building and support the great cause.

Sincerely:

Loretta Estrada
