Dear Santa Cruz County Fairgrounds,

Thank you so much for providing display cases, your most generous gift to our United Way in support of An Evening with Marilyn: An Intimate Look at the Legend on Saturday March 17th at Chaminade Resort & Spa.

What a success this gala was! 200 elegant and sparkling guests enjoyed the Marilyn Monroe exhibit, bid on the rich silent auction and enjoyed the fine dinner and beautiful music of Jazz by 3.

The presentation by R. Scott Fortner on the personal and private life of Marilyn Monroe was fascinating, with many photographs and facts never revealed to the public.

Thanks to your generosity over \$25,000 was raised to support our United Way programs that work to ensure that our youth will succeed in school and in life, our families will be financially stable and independent, and our county's residents will achieve good health.

We are so deeply grateful to you for your support. Your name or business was recognized in the Thursday, March 22 issue of Santa Cruz Sentinel's "The Guide".

Warm Regards,

Patrice Keet
