

Rodgers House committee meeting:

Oct: 23, 2013

Members present> Trisha Kett, Kennette Roberts, Marilyn Hoyt, Connie Hernandez, and Loretta Estrada.

The most important issue we had to discuss was making the house more secure for the race coming up this week end, we need to move the benches to the road and put up the chain. The racing guests do not need to be in and around the house. We were told the guests throw things at the runners and we do not want things thrown towards the house.

Tours during the fair; we will change the tour times, from 1 to 2. This will change the amount of people we need for tour guides. From 6 a day to 3 a day. In a 6 day fair that will mean we will need only 18 people not 36. This will save on fair passes and help Trisha getting people to give tours. We will do at least 1 night tour again.

The night tour will be called "an evening stroll through the historic 1870 Rodgers House". My hopes are for people to just stroll through the house not be given any kind of tours. This will make a fun evening for our Rodgers House Committee members, and easy I hope.

Marilyn will be looking into getting information for us to have a nice sign put by the side of the house. Giving information on the house and tour times. I heard several complaints this year we needed better signage.

November. 20th will be our next meeting. At that time we will do some light Christmas decorating. The committee decided to have our Christmas dinner catered. I will contact Ken, and have him send us several menu options, and we will decide on which meal we want. We will have snacks and drinks in the house and then proceed on to the Heritage Hall for a sit down dinner. (This was decided after much discussion on how we could set up the living room with one large table for all of us to sit at). Deciding it was just way to much work and would be too tight.

Tours coming up: Christmas Fair; December 6. Connie will give tours from 12-3, Dec. 7; Trisha will give tours 12-3 and on Sunday Dec. 8, Marilyn will give tours, 12-3.

December 11, will be our Christmas dinner at 5; 30.

I will contact Diane and see if she will loan us her gardener again for a day to help us cut plants back for the winter.

Meeting dismissed at 2; 45.
