

Rodgers House Committee minutes

May 28, 2014

Members Present, Sue King, Kennette Roberts, Trisha Kett, Marilyn Hoyt, Loretta Estrada and our new member Mary Travis. We are happy she has joined our committee. She like us love our fair grounds and the Rodgers House, she will be a great addition.

We tried to get the water system to work but could not get any water to the front or side of the house. I ask Richard to please come and figure what is going on.

I brought the committee up to date on the status of the patio, after much discussion concerning the location of the gazebo, the bid we are hoping to receive from the Company Dave has contacted has not arrived yet, Don arrived and explained they know the job has to be done by the middle of June. He is going to work on getting the fence back up, with his tape in hand he spent 45 minutes with us. Everyone giving their idea of the best location of the gazebo. From day one when it was moved to the patio we had planned on having it put back in the same location except turn slightly. After a very long discussion we voted and it is to be relocated back to where it has stood for 12 years.

Marilyn feel strongly about the landscaping next to the Heritage Hall, we want a 2 foot by 4 foot opening in the ground so we can put some good soil in and plant some nice plants so the outside of the hall will be more presentable. She will be buying the plants and planting them. So before I leave next week I will come down with a can of paint and mark where we would like to see the open planter spots be. (Dave I hope you will agree upon this) It would be right next to the water faucets and she will put timers on the water and they will be well taken care of and give the building a much softer look. Don said you would probably not go along with this but I hope you will. It is for the betterment of the fair grounds and the beauty we want to present.

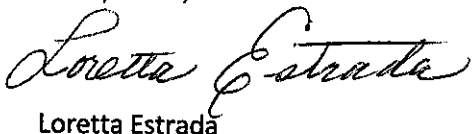

I presented the committee with the bid to get the asphalt done, it is \$3,000.00. I want to wait on this job until the concrete is poured so the construction will not damage the new asphalt.

Sue will be there during the wedding in June. The house will be open only during the usage of the house and then locked up.

We will be having the docent training at the July meeting, it is hard to believe we are talking fair time already.

Meeting ended at 4 pm.

Chairperson;

Loretta Estrada
