

Rodgers House Committee Meeting

May 22, 2019

Members present, Sue, Marilyn, Joanie, and Loretta, a lot of the members are out of town either on a vacation or on business.

Marilyn was working in the yard when we arrived, the first issue on our meeting was to sign a card for Trisha Kett, she is dealing with a illness that she cannot be around people, so we wish her well and passed a card around for us to sign. She is so surely missed and will return in 3 months.

Marilyn had some of our window shades repaired, I will gather up several other ones that need fixing as well.

We discussed if anyone knows if the water is on or off in the automatic water line, I informed the ladies that Dave will be back in a couple of days and we will ask him, right now it is not an issue since it has been raining forever! But we are sure hot. Dry weather will return someday.

Sharon Willis called me and wants to and water or work in the gardens, I ask Joanie will contact her and give her the dates she comes to work.

Sue changed the Ducks little dress, I brought down a lot of hangers for the closet, Sue put them away. Also I brought down several packages of holiday napkins.

Before I left I touched up the scratched spots in the sink.

Joanie went to work in the garden after the meeting.

Sincerely,

Chairperson, Loretta Estrada
