

Rodgers House Committee meeting

January 15, 2020

Members present: Kennette Roberts, Trisha Kett, Joanie Hargis, and Loretta Estrada . The main purpose of the meeting was to take and put away all the Christmas decorations. I presented to the committee the little lap table the Dobler family gave us and ask for two men to help get the library desk the Dobler's will be giving us as well. Kennette will ask Bob and John to help us pick it up and deliver it to the house.

We spent some time in the back bedroom starting the process of making the room into a Childs bedroom. We moved the sink cabinet, and when we opened the door the whole bottom of the door fell off! I called Mora Door company and they will be sending someone out Friday, January 17, at 12:30-12:45 to measure the door and we will need to get one. This is the third door we have had installed. The location is in full sun, and water at all times, so we need to get an metal door I think, Trisha will be at the house to let the man in and see what he recommends we install.

We discussed next year at the Christmas Fair putting in a booth and getting rid of a lot of things we no longer need or want. With planning we can kill two birds with one stone, get some things gone we do not need, and make a little money for the house.

Kennette brought us a beautiful lamp for the piano, it needs to have the plug in part replaced, I will do it at some time, the cost was \$52.00.

Plans for back room: take the bed down that is in the room now, bring the old crib down with all the dolls, open the leather chest as a Childs place for toys, so IF anyone has any old children's toys we will need them, we found some baby clothes in the chest today! We did not know there was several items inside!

So today's meeting was filled with many different things, looking forward to a new display. We will be having our meetings at 10:30 from now on, 20 years ago I sat the 1:30 time because that was the time I got off work, but now several members wants to come in earlier, so the new time will be: 4th Wednesday @ 10:30.

Upcoming meetings:

February 26

March 25

April 22

Sincerely,

Loretta Estrada
